It is equipped with non-turbulent lane lines, starting blocks with wedge, a horn start system with a strobe and automatic timing with touch pads. Each lane will also have a push button back-up system and a back-up timer using an electronic stopwatch. There are not backstroke wedges. As necessary, staff at the facility will handle operational matters. Please note that the Host Club does not control operational decisions. The competition course has not been certified in accordance with 104.2.2C(4).

ELIGIBILITY: All swimmers must be currently registered with USA Swimming (prior to the entry deadline), and their USA Swimming identification numbers must be included on the entry forms. Entries listed as "Registration applied for" will not be accepted. A swimmer's age as of **Friday, November 22, 2024**, determines their age group eligibility for the meet.

FORMAT: This meet will be conducted as a Prelim-Final Meet for 10&U (A-Final), 11-12 (A/B-Finals), and 13-14 (A/B-Finals) for all individual events, with the exception of ALL Friday events, the relays, the 25 Free (for all age levels), and the 13-14 500 Free, which will be conducted as Timed Finals. The meet will be conducted as a Timed Final Meet for ALL 8&U and Open Events.

Due to timeline constraints, we may limit events 200 and longer. We reserve the right to not swim relays. Attending teams will be notified well in advance of any limited events. We will try to allow athletes cut from an event to enter a replacement event provided timeline constraints allow for it.

FINA starting procedures and rules (whistle commands and no recall) will be in effect for this meet. Flyover starts will be used for all events other than backstroke events.

In accordance with USA Swimming Rules (Article 105), the Meet Referee has the authority to accommodate swimmers with disabilities. It is the responsibility of the coaches or swimmers to contact the Meet Referee, prior to competition, with specific requests.

QUALIFYING TIMES: Only swimmers having achieved qualifying times on or after November 1, 2022, are eligible for this meet. Entry times may be submitted in short course yards or long course meters.

A swimmer may enter any number of individual events in which he/she has met the qualifying standard. A swimmer may swim no more than eight (8) individual events during the meet. No swimmer shall be permitted to compete in more than two (2) individual events on Friday and three (3) individual events per day on Saturday or Sunday.

2024 SPEEDO CLASSIC

November 22-24, 2024

- After the beginning of the meet, scratches may only be made at the Clerk of Course. All subsequent day's scratches are due 30 minutes after the start of the previous evening's Finals.
- The scratch deadline for Finals events will be 30 minutes after the Prelim event results are announced and posted at the Clerk of Course table for the particular event.
- Intent to scratch will be permitted. A swimmer must indicate their intent to scratch during the 30 minutes following Prelim event results being announced and posted at the Clerk of Course table. The swimmer will then have until 30 minutes after the results being announced and posted of their last Prelim event that session to determine if they will swim the event they put the intent to scratch in for. If a swimmer declares they may want to scratch an event, but does not return to confirm that scratch, they will be seeded into the event and penalized if they do not appear for Finals.

Declared False Starts (DFS's) will be permitted. Prior to the start of each session, DFS's will be taken at the Clerk of Course. During a session, DFS's must be provided to the Deck Referee prior to the start of the heat before the heat the swimmer will be competing in. DFS's do count towards an athlete's daily and meet event limits.

PENALTY: Any 11-12 and 13-14 swimmer who fails to compete in an individual Prelim session event in which he/she is entered, and from which he/she has not been scratched, will be barred from his/her next individual and relay events of that day. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for that day's events. Any swimmer missing a Finals swim in the evening session will be scratched from the rest of the meet.

There are no penalties for 8&U, 10&U, and Open swimmers who fail to compete in an event. Any 11-12 or 13-14 swimmer failing to compete in an event that they positively checked-in for will be barred from their next individual and relay events of that day.

POSITIVE CHECK-IN: There will be a positive check-in for all Friday events, as well as the 13-14 and Open 500 Free Timed Finals. There is no positive check-in for Saturday and Sunday AM Prelim events due to the Championship format. Currently, there is no positive check-in for Saturday and Sunday PM Prelim (10&U) and Timed Final (8&U, Open) events. However, if the Timelines for those PM Sessions are too long, we may add a positive check-in and notify all teams.

- **Positive check-in for Friday events will close at 4:30 pm (start of warm-ups).**
- **Positive check-in for the 13-14 500 Free Timed Final will close at 9:00 am on Sunday.**
- **Positive check-in for the Open 500 Free Timed Final will close at 2:00 pm on Sunday.**

FINALS: Finals for 10&U swimmers will be the top 10 qualifiers in an A-Final. Finals for 11-12 and 13-14 swimmers will be the top 20 qualifiers in A- and B-Finals. The B-Final will be swum prior to the A-Final.

A-Final and B-Final swimmers shall report behind the blocks. B-Final swimmers will be announced in the water after the start of the heat. A-Final swimmers shall be announced behind the blocks prior to the start of the heat. Alternates hoping to swim in the case of a no-show shall check-in with the Officials by the Starter.
